AFFIDAVIT	
------------------	--

<p>I (we) declare that the statements and information submitted in this application are in all respects true and correct to the best of my (our) knowledge. I (we) agree to comply with the conditions and regulations provided with this parent parcel division/split/transfer. I (we) give permission for officials of the City of Petoskey or the State of Michigan to enter the property for purposes of inspections. I (we) understand that this is only a parcel division/split/transfer, which conveys only certain rights under the applicable local land division ordinance and the State Land Division Act and does not include any representations or conveyance of rights in any other statute, building code, zoning ordinances, deed restriction or other property rights. I (we) understand that local zoning ordinances and state acts change from time to time. If changed, the division/split/transfer made here must comply with the requirements in effect at the time of division/split/transfer unless deeds representing the approved divisions are recorded with the Register of Deeds or the division/split/transfer has been issued a building permit and built upon before the changes to the laws are made.</p>

LAND DIVISION APPLICATION DEED STATEMENTS

MI Public Acts 87, 1997; 591 of 1996; 288 of 1967, 222 of 1943; 285 of 1931

A person shall not sell a parcel of unplatted land unless the deed contains a statement as to whether the right to make further divisions, exempt from the platting requirements of Act 87, 1997 under Section 108 is proposed to be conveyed. This statement shall be in substantially the following form:

“The grantor to the grantee the right to make (insert number) divisions under section 108 of the Land Division Act, Act 87 of the Public Acts of 1997.”

In the absence of a statement conforming to the requirements of this subsection, the right to make such divisions stays with the remainder of the parent tract or parent parcel by the grantor.

All deeds for parcels of unplatted land within the State of Michigan after October 1, 1997 shall contain the following statement:

“This property may be located within the vicinity of farm land or a farm operation. Generally accepted agricultural and management practices which generate noise, dust, odors, and other associated conditions may be used and are protected by the Michigan right to farm act.”
