Presentation by SAFE of Northern Michigan

At this time the Director introduced Sue Pulaski, coordinator for the CharEm Division of SAFE of Northern Michigan and four student representatives of the organization from Petoskey Schools, those students being Ellen Audia, Connor Reed, Josh Kuhlman and Joe LaBlanc, all seniors at Petoskey High School. The group showed a video and gave a presentation to the Parks and Recreation Commission regarding tobacco free policies for schools, playgrounds and parks and asked that the Commission consider making City parks tobacco free and if that was not totally possible, they asked that they consider making the beaches and playgrounds tobacco free.

After hearing the presentation the Director advised Commission members that currently the City has a no smoking policy at recreational fields during games and practices at those facilities but that the remainder of the park areas have no restrictions on smoking.

At this time, Jim Daunter asked that the Commission table the discussion until its April meeting.

At this time the Commission members thanked the SAFE group for their presentation and stated that they would take their presentation under advisement.

Approval of Recreation Passport Grant

The Director informed Commission members that the Petoskey School District, Petoskey Community Courts Organization, and the City of Petoskey's Department of Parks and Recreation has formed a collaborative effort to renovate the 42 year old lighted six court tennis complex at the City/School Recreation Complex located at 1500 Hill Street, Petoskey, Michigan. The cost of this major renovation is \$255,000.

City staff has prepared a grant application to the Michigan Department of Natural Resources Recreation Passport Program requesting \$45,000 to go towards the tennis court renovation project. The remaining \$210,000 matching funds will come from the following sources: Petoskey School District \$67,500; potential Revenue Sharing Board Grant \$30,000; and the Petoskey Community Courts Fundraising efforts of \$112,500, bringing the project total with the \$45,000 Recreation Passport Grant to \$255,000.

At this time Commission members were asked to support a resolution that would support the submission of the grant application to the Michigan Department of Natural Resources and further request that City Council adopt a resolution to authorize Dan Ralley, City Manager or his designee to serve as the City's representative for the project, authorize submission of the application to the Michigan Department of Natural Resources Recreation Passport Grant Program and request that the grant application be considered for approval for the \$45,000 maximum grant match.

Amy McMullen made a motion to adopt the resolution as prepared in the agenda supplement and that it be forwarded to Petoskey City Council, the motion was seconded by Roy Pulaski, with all members present voting aye.

YEAS: Daunter, Hansen, McMullen, Pulaski (4)

NAYS: (0)

At this time the Director advised that the formal resolution would be certified and forwarded on to City Council for its March 17, 2014 meeting and if approved the grant would then be submitted to the Michigan Department of Natural Resources prior to the April 1, 2014 deadline.

Begin Selection Process for the 2013 Glenn H. Casey Award

Commission members were reminded that in 1981 the Glenn H. Casey Award was established to annually recognize a recreation volunteer who has exhibited an outstanding commitment to the City's recreation program. George Newson was the recipient of the 2012 award for his long-term effort and coaching youth in soccer and other sports affiliated with the City's Parks and Recreation team. Commission members were also provided with a list of past recipients and were advised to review and make recommendations of candidates and select a recipient at its April meeting.

At this time two names were entered into consideration for the Glenn H. Casey Award. The first being Dree Lo for her support of tennis in Northern Michigan and her efforts to promote and teach young people the game of tennis within the City's recreation programs and the second candidate was Jack Taylor of Alanson, Michigan, who was recognized as the founder of the Beyond the Scoreboard Organization which serves not only the youth of Petoskey and its recreation programs but the youth of Emmet, Cheboygan and Charlevoix Counties as well.

Miscellaneous

At this time Commission member Jim Daunter asked if the Parks and Recreation Department was submitting any other grants to help raise money towards the tennis court project.

The Director advised that he is in the process of preparing grant applications to the Emmet County Revenue Sharing Board requesting \$30,000, a request to the Petoskey Rotary Charities and Rotary Park Fund Projects, and also looking into the submission of a grant applications to the Petoskey Harbor Springs Community Foundation and the Bay Harbor Foundation in an effort to raise additional funds towards the tennis court project.

ADJOURNMENT

There being no further business to come before the Parks and Recreation Commission, the meeting was adjourned at 7:55 P.M. Motion for adjournment was made by Bill Hansen, seconded by Amy McMullen, with all members present voting aye.

YEAS: Daunter, Hansen, McMullen, Pulaski (4)

NAYS: (0)

2013 ANNUAL PARTICIPATION REPORT

In 2013, the City of Petoskey, through its Department of Parks and Recreation, offered to the community thirty-one (31) organized youth and adult recreational programs.

Of these 31 programs conducted in 2013, seven programs were designed specifically for adults, eight programs for youth and adults, and 16 for youth and early teens. Examples of mixed youth and adult programs include snowboarding and ski lessons, tennis, disc golf, etc. In 2013, there were 3,412 registered participants involved in these programs, an increase from 3,326 in 2012.

Based on participant levels, duration of programs and games played an estimated 54,933 recreational participant days of activity were generated, which equates to 16.1 days per participant per year.

PROGRAM OVERVIEW

Senior League Basketball (Adult): This program has merged the old Independent League Men's Program into a hybrid league composed of mixed adult age players. This program had 67 players in 2013, up from 59 in 2012.

Men's 40+ Basketball (Adult): Program participation in this age category was 9 regular participants with an additional three to four players that dropped in throughout the season.

Boys' Basketball: Participation had a slight increase from 79 to 84 in 2013, and remains a very stable program. The YMCA is now running a K-2 league and it will be interesting to see the long-term effects on our 3-6 grade programs.

Girls' Basketball: The girls program, like the boys, is very stable with 50 girls participating in 2012 and 2013. In an attempt to bolster numbers in this program, the Varsity High School Coach set up regular season tournament games with other area schools starting in February to allow more game experience.

Day Camp: In 2013, Day Camp numbers were down by 49 participants, from 618 in 2012 to 579 in 2013. This decline is attributed to the school calendar which shortened the camp program by one week.

Youth Baseball/Softball/T-Ball: In 2013, the Youth Diamond Program had 525 participants compared to 493 in 2012. The majority of the increase is attributed to a Boy's Little League Baseball Program. T-ball and girls softball programs remain stable.

Adult Softball: The adult men's and women's fast pitch and co-ed church slow pitch leagues combined for a total of 290 participants, down significantly from 407 participants in 2012. The women's fast pitch program declined by 31 players, the men's fast pitch program declined by 15 players and the co-ed church league slow pitch leagues declined by 71 players. The decline in the men's fast pitch program mirrors the rest of the state. The decline in co-ed church slow pitch leagues was an unexpected and will be monitored by staff.

Flag Football: In 2013, the Flag Football Program participants increased to 82, up from 60 in 2012. It appears the popularity of this program is again on the rise with two extra teams added in 2013.

Soccer: In 2013, participation within the Soccer Program was 800, up from 769 participants in 2012. The Travel Soccer Program remained stable and the Women's Program declined by 7 players and the Spring and Fall Soccer Programs increased by 59 players.

Tennis: Tennis continues to remain popular with the guidance of Dree Lo, our tennis professional, who replaced Margaret Ruemenapp when she retired in 2007. In 2013, there were 350 participants involved in our various tennis sessions, up from 267 in 2012. In 2013 several program offerings were modified with positive results.

Ski/Snowboard Lessons: Ski lessons, offered in conjunction with the Nubs Nob Winter Sports School, provided recreational skiing and snowboarding lessons to 94 participants in 2013, down from 104 in 2012. Skiing lessons account for 90% of lessons provided with snowboard lessons account for 10%, a dramatic shift when snowboard numbers were closer to 40% of participants.

Ice Skating/Speed Skating Lessons: Both Figure Skating and Speed Skating Programs showed a decrease in 2013 with 34 participants involved. Figure skating lessons accounted for 16 of the 34 participants. Outdoor speed skating had 18 participants, up from eight in 2012. Several longstanding records were broken by local competitors this year.

Volleyball: The indoor Women's Volleyball Program for 2013 had 73 participants, the same as 2012. The 2013 Youth Volleyball Camp was conducted by Michigan State University this year and statistical information for the camp due to technical difficulties has not been made available.

Sand Volleyball: The sand volleyball league in 2013 had 30 participants, up from 18 in 2012. The Sand Dig Volleyball Tournament attracted 72 participants, up from 51 participants in 2012.

Wrestling: In 2004, the Petoskey Wrestling Associations and the City of Petoskey joined forces to offer an introductory wrestling program for area youth. This program in 2013 had 39 participants, down from 72 participants in 2012.

Lacrosse: This program first offered in 2006, had stabilized at 65 participants in 2013, down from 82 in 2012.

Disc Golf: The disc golf league and associated tournament attracted 169 participants in 2013, up from 59 participants in 2012. League players increased by 34 players and the tournament attracted an additional 76 players. The disc golf course remains very popular and many players are observed on the course year-round and are not traced by the above numbers.

Program Recap: Participant numbers over the years have tended to be cyclic since 1987; numbers have varied from a low of 2,475 participants in 1988 to a high of 3,813 participants in 1995. Staff continues to attempt to capture statistics on all user groups utilizing recreational facilities provided by the City to gain a better perspective on participants being served, either through program fees or contracted league fees.

GENERAL RECREATION USAGE

The Department of Parks and Recreation continues to provide park and recreation facilities and support services to a number of recreational associations whose participants are not statistically tracked by staff. Partial lists of these programs include:

TRENDS AND CHALLENGES

The decline in property values over the last several years has negatively impacted General Fund tax revenues available not only for capital projects, but also for major maintenance projects involving City building, parks and facilities. These projects cannot be postponed indefinitely without impacting the use and integrity of these facilities.

Recreation fees have been increased to help offset operational program costs, however other funding mechanisms need to be explored for major maintenance and capital projects. Several maintenance projects that must be tackled in the near future include the rebuilding of the Lighted Tennis Courts at the Petoskey High School/Middle School Complex, a joint facility operated by the Public Schools of Petoskey and the City and roof replacements of several park facilities at Bayfront Park including the Resource Center, Ball Field Scorer's Booth and Little Traverse Historical Museum. An application has been submitted to the Michigan Natural Resource Recreation Passport Program for \$45,000 to help offset a portion of the \$255,000 for renovation of Lighted Tennis Court Project. Staff will continue to look for outside funding options to assist in these projects. The Petoskey Community Court fundraising group has also been resurrected and will be raising funds for the project. The school has also agreed to provide \$67,500 toward the renovation.

In 2012, the longstanding Men's and Women's Fast Pitch Association was dissolved and its functions were absorbed by the City which included the administration of the two leagues. These two programs are now part of our regular recreation programming duties. This transition was successfully accomplished and program fees and team sponsorships offset the cost of these added programs.

In 2013, the new Turcott Field was constructed on land transferred to the City by the School District and the grand opening of the field is expected to take place in the spring of 2014.

SUMMARY

The City's parks, facilities and recreational program offerings greatly contribute to our areas sense of place and the quality of life enjoyed by our residents and visitors. It is vital to the health of our community both economically and physically that our Parks be properly maintained and that our recreational program activities remain strong and viable. In order to insure their vitality, it is important that cooperation between our various governmental units, and the college and the school district be maintained and expanded for the joint benefit of our shared constituents. It is also equally important that we maintain the support and backing of our citizens and continue to educate them on the important role that Parks and Recreation programs play in our community.

BOARD: Parks and Recreation Commission

MEETING DATE: April 14, 2014 **DATE PREPARED:** April 16, 2014

AGENDA SUBJECT: Presentation of 2014 Recreational Agreements

- Bear Creek Township
- Resort Township

RECOMMENDATION: Review and consider approval of agreements

Background. The City of Petoskey and the Townships of Bear Creek and Resort have recognized the need for and the benefits of shared recreational programming and have entered into recreational agreements to provide this service for their respective residents for a number of years.

Provisions of these agreements state that all residents of Bear Creek and Resort Townships who participate in City provided or hosted recreational programs will not pay outside residency fees. In return, the townships share in the recreational program costs based upon the percentage of residents participating in the programs.

Overview. City staff has prepared standard agreements for 2014 based upon the actual program expenses and 2013 participation figures.

2014 Agreement Cost for <i>Bear Creek Township</i>	
based upon 28.72% participation	\$35,104.18
2014 Agreement Cost for <i>Resort Township</i>	
based upon 12.54% participation	\$15,327.52

A copy of each agreement is attached for review by the Commission. Commission will be asked to consider approval of the Township Agreements and recommend that the agreements be forwarded to the respective townships along with the 2013 Annual Participation Report.

**BEAR CREEK TOWNSHIP
PARTICIPATION AGREEMENT**

THIS AGREEMENT, made this _____ day of _____, 2014 by and between the City of Petoskey, a Michigan Municipal Corporation, 101 East Lake Street, Petoskey, Michigan, hereinafter referred to as "CITY", and the Township of Bear Creek, a Michigan Municipal Corporation, 373 Division Road, Petoskey, Michigan, hereinafter referred to as "TOWNSHIP", is in reference to the following:

WHEREAS, the CITY has, for a number of years, provided an extensive recreation program, both summer and winter, which a substantial number of TOWNSHIP residents have participated in; and

WHEREAS, CITY and TOWNSHIP recognize the merit of cost sharing in such recreation programs and TOWNSHIP desires to pay its fair share of the cost of such programs based on the amount of participation by TOWNSHIP residents;

NOW, THEREFORE, in consideration of the participation of TOWNSHIP residents in the complete recreation program operated by the CITY, the parties agree as follows:

- (1) TOWNSHIP will pay to the CITY the sum of **\$35,104.18** payable to the City of Petoskey by July 1, 2014. (This sum is based on actual 2013 recreational revenues, expenses, and township participation levels).
- (2) TOWNSHIP residents, both children and adults, will have access to and may participate in all CITY recreation programs in the same manner as if they were residents of the CITY.
- (3) CITY will maintain records of participation for all recreation programs as a basis for determining similar charges for 2014, but the TOWNSHIP is not obliged in any way to participate in any future years.

IN WITNESS THEREOF, the parties hereto have set their hands on the day and year first above written.

BOARD: Parks and Recreation Commission

MEETING DATE: April 14, 2014 **DATE PREPARED:** April 7, 2014

AGENDA SUBJECT: Selection process for 2013 Glenn H. Casey Award

RECOMMENDATION: Consider potential nominees and select the 2013 recipient

Background: In 1981, the “Glenn H. Casey” award was established to annually recognize a recreation volunteer who has exhibited an outstanding commitment to the City’s recreation program. **George Newson** was the recipient of the 2012 award, for his long-term effort and coaching youth in soccer and other sports affiliated with the City’s Parks and Recreation team.

Action: at its March 10, 2014 meeting, Commission members reviewed last year’s list of nominees. The Commission then entered two individual nominees into consideration for the 2014 award. The nominees are as follows:

Dree Lo, Petoskey, Michigan, for her support of youth high school and adult tennis in Northern Michigan that includes organizing, directing and instructing the City of Petoskey Tennis Program that has grown to 350 participants per year. Dree is also the Girls Varsity Tennis Coach at Petoskey High School and has expanded that program using a “no cut” strategy and has created junior varsity and varsity level teams and A & B level teams for competition play.

Jack Taylor, Alanson, Michigan. Jack is the founding leader of Beyond the Scoreboard, Inc., a non-profit organization serving the Northwest Michigan area, including Emmet, Charlevoix, Cheboygan, and Antrim counties. This organization promotes and teaches positive character development through sports. And this organization, under his former leadership, has and continues to play an important role in guiding recreational and interscholastic sports in our area and recognizes individuals, parents, coaches and fans that display positive characteristics through sports. Jack has spent his entire lifetime mentoring youth, high school and collegiate athletes as both a coach and administrator of athletic programs at all levels of amateur sports.

Selection: Commission members will be asked to formally select the recipients of the 2013 Glenn H. Casey Award. A presentation of the award will be scheduled by the Director of Parks and Recreation for May 2014.
