Young Hemingway Statue

Commission members were informed that City Council, at its March 2, 2015 meeting, heard a presentation by George Colburn on behalf of Robert Dau requesting that City Council consider acceptance of a future gift to the City of a statue of young Ernest Hemingway. Council accepted the proposed gift but a site location for the statue was not determined. Council then asked staff to explore locations where the statue could be placed. Mr. Dau has indicated that he will commission an artist/sculptor to carve and cast the statue but it is important that a place be approved so that the sculptor can orient and pose the statue correctly to fit its surroundings.

The Director reviewed eight potential sites for the statue and the pros and cons for each site.

Comments were received from the public for and against the Carnegie Library, Little Traverse Historical Museum and Pennsylvania Park sites.

Mr. George Colburn, representing Mr. Dau, informed Commission members that Mr. Dau is 84 years of age and in declining health and hopes a decision can be made regarding location so that Mr. Dau could interview, select and commission a sculptor to start the statue. Mr. Dau also wanted the Commission to know that he considers himself a native son of Petoskey and identifies this community as his home and wants to gift the statue to the City to commemorate young Hemingway's historical ties to Petoskey. Mr. Colburn further advised that it is Mr. Dau's strong

belief that the statue needs to be highly visible and in close proximity to the railway in the downtown Petoskey area. Mr. Dau is not in favor of the Carnegie Library or the Historical Museum sites as he feels they are too far from the City's downtown core area and would inhibit discovery by and daily interaction with downtown visitors.

The Director shared that he had received two phone calls from Petoskey residents suggesting that the statue be located at the museum at Bayfront Park. The Director also shared a letter from City Councilmember Grant Ditmar.

At this time, Vice Chairperson McMullen asked Commission members for their opinions on the proposed locations.

Commissioner Lamberti commented that he only saw two viable sites, one at the sidewalk area at the corner of Park Avenue and Bay Street near the Watershed Council building and the other by North Country Cycle Shop near the railway on Howard Street. He stated that he believed that these sites were highly visible and met the criteria that Mr. Dau considered important for locating his gift of the statue. Commissioner Hansen and Commissioner Daunter also felt these two locations were most viable.

At this time, a motion was made by Commissioner Lamberti, seconded by Commissioner Hansen, that the Parks and Recreation Commission, upon reviewing the eight potential sites and based upon the criteria given and Mr. Dau's suggestions, select the two following locations for the placement of the statue:

1. Public sidewalk area on Bay Street at Park Avenue, across from Lewis Street.
2. Howard Street location at railway and sidewalk area near North Country Cycle Shop, near the sidewalk tree planter area.

The Director advised that City Council would be informed of the Parks and Recreation Commission's suggested site locations for the young Hemingway statue.

Marina Grant Submission

The Director advised the Parks and Recreation Commission that the City is preparing to submit an application to the Michigan Department of Natural Resources Waterways Commission for an infrastructure grant to replace the wood decking and substructure on Pier B in the marina. Much of the decking on this pier is in need of replacement and is part of the original marina that was constructed in 1968 and 1970. Also, as part of this grant the existing dock house would be removed and replaced with a new, larger dock office space. The City has set aside \$150,000 towards the matching of a Michigan Waterways Grant and the City has retained the firm of Beckett and Raeder, Inc. to perform a preliminary cost estimate so that a complete grant application can be submitted by the April 1, 2015 deadline.

The Director asked that Commission members endorse this potential grant application with the understanding that the City's commitment would not exceed \$150,000.

At this time, a motion was made by Commissioner Lamberti, seconded by Commissioner Hansen, that the Parks and Recreation Commission hereby endorses submission of a grant application to the Michigan Department of Natural Resources Waterways Commission for this infrastructure improvement to Pier B.

Miscellaneous

Vice Chairperson McMullen asked if there was any other business that the Commission members needed to discuss prior to the closing of the meeting.

Commissioner Hansen asked if spring sign-ups were taking place for spring and summer programs. The Director advised that registration has been opened for a number of spring sports, registration for the summer day camp program will be open soon and that information regarding these programs is available for review by the general public on the City's website.

ADJOURNMENT

There being no further business to come before the Parks and Recreation Commission, the meeting was adjourned at 7:50 P.M. Motion for adjournment was made by Commissioner Hansen, seconded by Commissioner Lamberti, with all members present voting aye.

2014 ANNUAL PARTICIPATION REPORT

In 2014, the City of Petoskey, through its Department of Parks and Recreation, offered to the community thirty-two (32) organized youth and adult recreational programs.

Of these 32 programs conducted in 2014, seven programs were designed specifically for adults, nine programs for youth and adults, and 16 for youth and early teens. Examples of mixed youth and adult programs include snowboarding and ski lessons, tennis, disc golf, etc. In 2014, there were 3,541 registered participants involved in these programs, an increase from 3,412 in 2013.

Based on participant levels, duration of programs and games played an estimated 57,010 recreational participant days of activity were generated, which equates to 16.1 days per participant per year.

PROGRAM OVERVIEW

Senior League Basketball (Adult): This program has merged the old Independent League Men's Program into a hybrid league composed of mixed adult age players. This program had 68 players in 2014, up from 67 in 2013.

Men's 40+ Basketball (Adult): Program participation in this age category was 9 regular participants with an additional three to four players that dropped in throughout the season.

Boys' Basketball: Participation had a slight drop from 84 to 82 in 2014, and remains a very stable program. The YMCA is now running a K-2 league and it will be interesting to see the long-term effects on our 3-6 grade programs.

Girls' Basketball: The girls program had 40 girls participating in 2014, down from 50 in 2013 and 2014. In an attempt to bolster numbers in this program, the Varsity High School Coach set up regular season tournament games with other area schools starting in February to allow more game experience. Independent travel programs are affecting participation numbers at the 5th and 6th grade levels.

Day Camp: In 2014, Day Camp numbers were up 44 participants, from 579 in 2013 to 623 in 2014.

Youth Baseball/Softball/T-Ball: In 2014, the Youth Diamond Program had 529 participants compared to 525 in 2013. In 2014, no girls participated in the Junior Little League Program. The Minor and Major League Girls Softball Programs remain strong with 112 girls participating.

Adult Softball: The adult men's and women's fast pitch and co-ed church slow pitch leagues combined for a total of 320 participants, up from 290 participants in 2013. The women's fast pitch program increased by 19 players, the men's fast pitch program declined by 7 players and the co-ed church league slow pitch leagues increased by 18 players. The decline in the men's fast pitch program mirrors the rest of the state.

Flag Football: In 2014, the Flag Football Program had 81 participants compared to 82 in 2013. It appears the popularity of this program is again on the rise with two extra teams added in 2014.

Soccer: In 2014, participation within the Soccer Program was 825, up from 800 participants in 2013. The Travel Soccer Program remained stable and the Women's Program declined again in 2014 to 22 players and the Spring and Fall Soccer Programs increased by 11 players.

Tennis: Tennis continues to remain popular with the guidance of Dree Lo, our tennis professional, who replaced Margaret Ruemenapp when she retired in 2007. In 2014, there were 362 participants involved in our various tennis sessions, up from 350 in 2013. In 2014 several program offerings were modified with positive results.

Ski/Snowboard Lessons: Ski lessons, offered in conjunction with the Nubs Nob Winter Sports School, provided recreational skiing and snowboarding lessons to 87 participants in 2014, down from 94 in 2013. Skiing lessons account for 80.5% of lessons provided with snowboard lessons account for 19.5%, a dramatic shift when snowboard numbers were closer to 40% of participants.

Ice Skating/Speed Skating Lessons: Both Figure Skating and Speed Skating Programs showed an increase in 2014 with 60 participants involved. Figure skating lessons accounted for 24 participants, up from 18 participants in 2013. Outdoor speed skating had 36 participants, up from 18 in 2013. Speedskating interest was up in 2014.

Volleyball: The indoor Women's Volleyball Program for 2014 had 82 participants, up from 73 in 2013. The 2014 Youth Volleyball Camp was conducted by Michigan State University this year and statistical information for the camp is not kept because it is a drop-in clinic and numbers vary from day to day.

Sand Volleyball: The sand volleyball league in 2014 had 30 participants, the same as 2013. The Sand Dig Volleyball Tournament attracted 67 participants, down from 72 participants in 2013.

Wrestling: In 2004, the Petoskey Wrestling Associations and the City of Petoskey joined forces to offer an introductory wrestling program for area youth. This program in 2014 had 25 participants, down from 39 participants in 2013.

Lacrosse: This program first offered in 2006, had stabilized at 65 participants in 2014, the same as 2013.

Yoga: In 2014, the Yoga in the Park Program was offered for the first time with 18 participants meeting one time per week for 10 weeks. This program will be conducted again in 2015.

Disc Golf: The disc golf league and associated tournament attracted 168 participants in 2014. League players remained at 93 players and the tournament attendance remained stable at 75 players. The disc golf course remains very popular and many players are observed on the course year-round and are not traced by the above numbers.

Program Recap: Participant numbers over the years have tended to be cyclic since 1987; numbers have varied from a low of 2,475 participants in 1988 to a high of 3,813 participants in 1995. Staff continues to attempt to capture statistics on all user groups utilizing recreational facilities provided by the City to gain a better perspective on participants being served, either through program fees or contracted league fees.

TRENDS AND CHALLENGES

Challenges. The decline and slow recovery of property values within the City of Petoskey has greatly impacted the General Fund tax revenues. General Fund dollars within the departments of Public Safety and Parks and Recreation have not been available for major capital expenditures for the last several years. Last year's report identified several major maintenance projects that needed to be addressed in the near future and included roof replacements at Bayfront Park's Resources Center, Ed White Field Score booth and the Little Traverse Historical Museum and the rebuilding of the lighted tennis court complex at the joint City/School District Recreational Complex.

In its 2015 budget, the City was able to set aside funds for the aforementioned roof replacement projects. However, funding for the \$255,000 renovation of the Tennis Court Project is still on hold as it has a budgeting shortfall. Currently the City, in cooperation with the non-profit Petoskey Community Courts Organization, has raised approximately \$50,000 towards the project and the Public Schools of Petoskey has set aside \$125,000 for a total of \$175,000. This \$75,000 shortfall has prevented the project from moving forward. The City's request for funding for this project under the Michigan Recreation Passport Grant for \$45,000 was not successful. City staff and the Petoskey Community Courts Organization will continue to seek funding contributions to raise the additional \$75,000 necessary to complete the project.

Future funding sources need to be identified to assist in the continued upkeep and renovation of City facilities and the replacement of critical fire apparatus equipment and is our greatest challenge.

Trends. Last year the City, in an attempt to meet the recreational needs of our aging adult population, implemented a "Yoga in the Park" program and it was well utilized by 18 participants.

In 2015, the City will again attempt to expand adult programs into these non-traditional areas and price these programs so that they are self-sustaining.

Another trend identified by the City is the continued growth of youth travel sports programs that are independent of the City or school programs. As a Youth Sports Administrator it is worrisome that some of the travel programs are now starting at the 3rd grade level and quite often participation is by invitation only. Currently 70% of children nationwide are no longer participating in organized sports by the age of 12. The number one reason cited most frequently by the youth for dropping out is that sports are no longer fun. Many recreational professionals fear the future impact that travel sports may have on our children. Concerns are: will they be burnt out before high school, will they drop out of recreational activities before they have the potential to grow and learn a sport, will sports be limited to those that are preselected at the elementary level, and will they have the economic means to join a travel team. Travel teams continue to compete for public supported facilities and at times supplant or directly compete with recreational programs. How do we respond as a public recreation provider to this evolving trend? Do we continue to evaluate or do we advocate for public recreational programs? A point to ponder.

SUMMARY

The City's parks, facilities and recreational program offerings greatly contribute to our areas sense of place and the quality of life enjoyed by our residents and visitors. It is vital to the health of our community both economically and physically that our Parks be properly maintained and that our recreational program activities remain strong and viable. In order to insure their vitality, it is important that cooperation between our various governmental units, and the college and the school district be maintained and expanded for the joint benefit of our shared constituents. It is also equally important that we maintain the support and backing of our citizens and continue to educate them on the important role that Parks and Recreation programs play in our community.

BOARD: Parks and Recreation Commission

MEETING DATE: April 13, 2015 **DATE PREPARED:** April 1, 2015

AGENDA SUBJECT: Presentation of 2015 Recreational Agreements

- Bear Creek Township
- Resort Township

RECOMMENDATION: Review and consider approval of agreements

Background. The City of Petoskey and the Townships of Bear Creek and Resort have recognized the need for and the benefits of shared recreational programming and have entered into recreational agreements to provide this service for their respective residents for a number of years.

Provisions of these agreements state that all residents of Bear Creek and Resort Townships who participate in City provided or hosted recreational programs will not pay outside residency fees. In return, the townships share in the recreational program costs based upon the percentage of residents participating in the programs.

Overview. City staff has prepared standard agreements for 2015 based upon the actual program expenses and 2014 participation figures.

2015 Agreement Cost for ***Bear Creek Township***
based upon 28.72% participation **\$37,933.28**

2015 Agreement Cost for ***Resort Township***
based upon 12.54% participation **\$17,573.76**

A copy of each agreement is attached for review by the Commission. Commission will be asked to consider approval of the Township Agreements and recommend that the agreements be forwarded to the respective townships along with the 2014 Annual Participation Report.

**BEAR CREEK TOWNSHIP
PARTICIPATION AGREEMENT**

THIS AGREEMENT, made this _____ day of _____, 2015 by and between the City of Petoskey, a Michigan Municipal Corporation, 101 East Lake Street, Petoskey, Michigan, hereinafter referred to as "CITY", and the Township of Bear Creek, a Michigan Municipal Corporation, 373 Division Road, Petoskey, Michigan, hereinafter referred to as "TOWNSHIP", is in reference to the following:

WHEREAS, the CITY has, for a number of years, provided an extensive recreation program, both summer and winter, which a substantial number of TOWNSHIP residents have participated in; and

WHEREAS, CITY and TOWNSHIP recognize the merit of cost sharing in such recreation programs and TOWNSHIP desires to pay its fair share of the cost of such programs based on the amount of participation by TOWNSHIP residents;

NOW, THEREFORE, in consideration of the participation of TOWNSHIP residents in the complete recreation program operated by the CITY, the parties agree as follows:

- (1) TOWNSHIP will pay to the CITY the sum of **\$37,933.28** payable to the City of Petoskey by July 1, 2015. (This sum is based on actual 2014 recreational revenues, expenses, and township participation levels).
- (2) TOWNSHIP residents, both children and adults, will have access to and may participate in all CITY recreation programs in the same manner as if they were residents of the CITY.
- (3) CITY will maintain records of participation for all recreation programs in 2015 as a basis for determining similar charges for 2016, but the TOWNSHIP is not obliged in any way to participate in any future years.

IN WITNESS THEREOF, the parties hereto have set their hands on the day and year first above written.

WITNESS:

**RESORT TOWNSHIP
PARTICIPATION AGREEMENT**

THIS AGREEMENT, made this _____ day of _____, 2015 by and between the City of Petoskey, a Michigan Municipal Corporation, 101 E. Lake Street, Petoskey, Michigan, hereinafter referred to as "CITY", and the Township of Resort, a Michigan Municipal Corporation, 2232 Resort Pike Road, Petoskey, Michigan, hereinafter referred to as "TOWNSHIP", is in reference to the following:

WHEREAS, the CITY has, for a number of years, provided an extensive recreation program, both summer and winter, which a substantial number of TOWNSHIP residents have participated in; and

WHEREAS, CITY and TOWNSHIP recognize the merit of cost sharing in such recreation programs and TOWNSHIP desires to pay its fair share of the cost of such programs based on the amount of participation by TOWNSHIP residents;

NOW, THEREFORE, in consideration of the participation of TOWNSHIP residents in the complete recreation program operated by the CITY, the parties agree as follows:

- (1) TOWNSHIP will pay to the CITY the sum of **\$17,573.76** payable to the City of Petoskey by July 1, 2015. (This sum is based on actual 2014 recreational revenues, expenses and township participation levels)
- (2) TOWNSHIP residents, both children and adults, will have access to and may participate in all CITY recreation programs in the same manner as if they were residents of the CITY.
- (3) CITY will maintain records of participation for all recreation programs in 2015 as a basis for determining similar charges for 2016, but the TOWNSHIP is not obliged in any way to participate in any future years.

IN WITNESS THEREOF, the parties hereto have set their hands on the day and year first above written.

BOARD: Parks and Recreation Commission

MEETING DATE: April 14, 2015 **DATE PREPARED:** April 7, 2015

AGENDA SUBJECT: Begin Selection Process for the 2014 Glenn H. Casey Award

RECOMMENDATION: Review Nomination Process and Consider Potential Nominees

Background: In 1981, the “Glenn H. Casey” award was established to annually recognize a recreation volunteer who has exhibited an outstanding commitment to the City’s recreation program. ***Jack Taylor*** was the recipient of the 2013 award, for his lifelong coaching career and his commitment to teach positive character traits through youth and high school sports programs and as the founder of Beyond the Scoreboard, Inc.

Past Recipients: A list of past recipients of the Glenn H. Casey Award are attached for informational purposes.

Nominees: Two nominees were selected for consideration in 2013. Dree Lo, for tennis and Jack Taylor for is lifelong commitment to sports. Jack Taylor was selected. Commission members are encouraged to nominate candidates for the 2014 award.

Action: Commission members can make nominations for the award, consider and select an award winner or delay the process until the May meeting to allow time for review of candidates and enter further nominees for consideration.

Selection: Commission members will be asked to formally select the recipients of the 2014 Glenn H. Casey Award. A presentation of the award will be scheduled by the Director of Parks and Recreation for May 2015.

BOARD: Parks and Recreation Commission

MEETING DATE: April 13, 2015 **PREPARED:** April 7, 2015

AGENDA SUBJECT: Emmet County Local Revenue Sharing Board Grant Application –
Tennis Court Complex Renovation

RECOMMENDATION: Consider adoption of resolution in support of application.

History. Since 2013 the City of Petoskey, in cooperation with the Public Schools of Petoskey and Petoskey Community Courts, an area non-profit organization, has pooled their efforts to raise approximately \$255,000 to fund the reconstruction of the six lighted tennis courts at the Recreational Complex located at 1500 Hill Street, Petoskey, Michigan, a joint City/School District facility. The City has submitted applications to the Michigan Department of Natural Resources Recreation Passport Program twice for \$45,000 in funding and both applications were unsuccessful. To date approximately \$175,000 of the \$255,000 funding goal has been raised. The project originally scheduled for the summer of 2015 has been delayed as a result of this \$75,000 shortfall in funding. This delay will allow additional time for funds to be raised in hopes of a 2016 construction start.

Grant. In order to help raise additional funds toward this project City staff has prepared an application requesting \$30,000 for the project from the Emmet County Local Revenue Sharing Board. The Revenue Sharing Board gave \$5,000 toward this project in 2014.

Action. The Parks and Recreation Commission shall consider giving support to this grant application and further consider requesting that City Council endorse the application and direct staff to submit the application for funds to the Emmet County Local Revenue Sharing Board. A draft resolution has been prepared for the Commission's review and consideration.
